### Hello toys!

I love cock, more than anything else in the entire world!

I have plenty of sex toys, which I use whenever I'm fucking because I love

He bent me over and nudged his purple helmet up against my twat, smearing his pre-cum all over my pussy lips.

I fingered my clitty as he slid his meat up my fuck hole, squeezing it and

twisting it as he did so. I relaxed my ring to accommodate every inch of it and soon he had it wedged right up me, the vibrating balls resting between my cunt and arsehole.

When he switched it on, the whole thing vibrated inside me, not just the bollocks!

It made the both of us come in no time – the balls vibrating against my husband's dick and the prick itself shaking a massive orgasm out of me from up my arse!

Once my husband had cum I pushed the dildo inside my twat, slowly fucking myself with it until all of his spunk had begun to dribble from inside my gaping hole.

I gathered as much of it up as possible and let it dribble from the sex toy into my mouth.

My husband got hard straight away and fucked me in the mouth as I used

the new toy on my pussy, filling me up with his cum a second time in as many minutes.

Do you have a cock I could love, too?

making it bulge.

Then, when he was balls deep in my snatch, he grabbed the dildo and rubbed it around my cunt, covering it in my own pussy juice.

When it was nice and wet he began to rub it against my arsehole until that too was covered in juices.

He pushed it into my anus,

to have all my holes filled – airtight!

Last week my husband brought home a new dildo that had vibrating bollocks and together we tried it out.

First I had to suck his cock as a thank you for buying me a new toy, so I licked and sucked his prick until he was rock hard and gagging to fuck me.

# SOPHIA

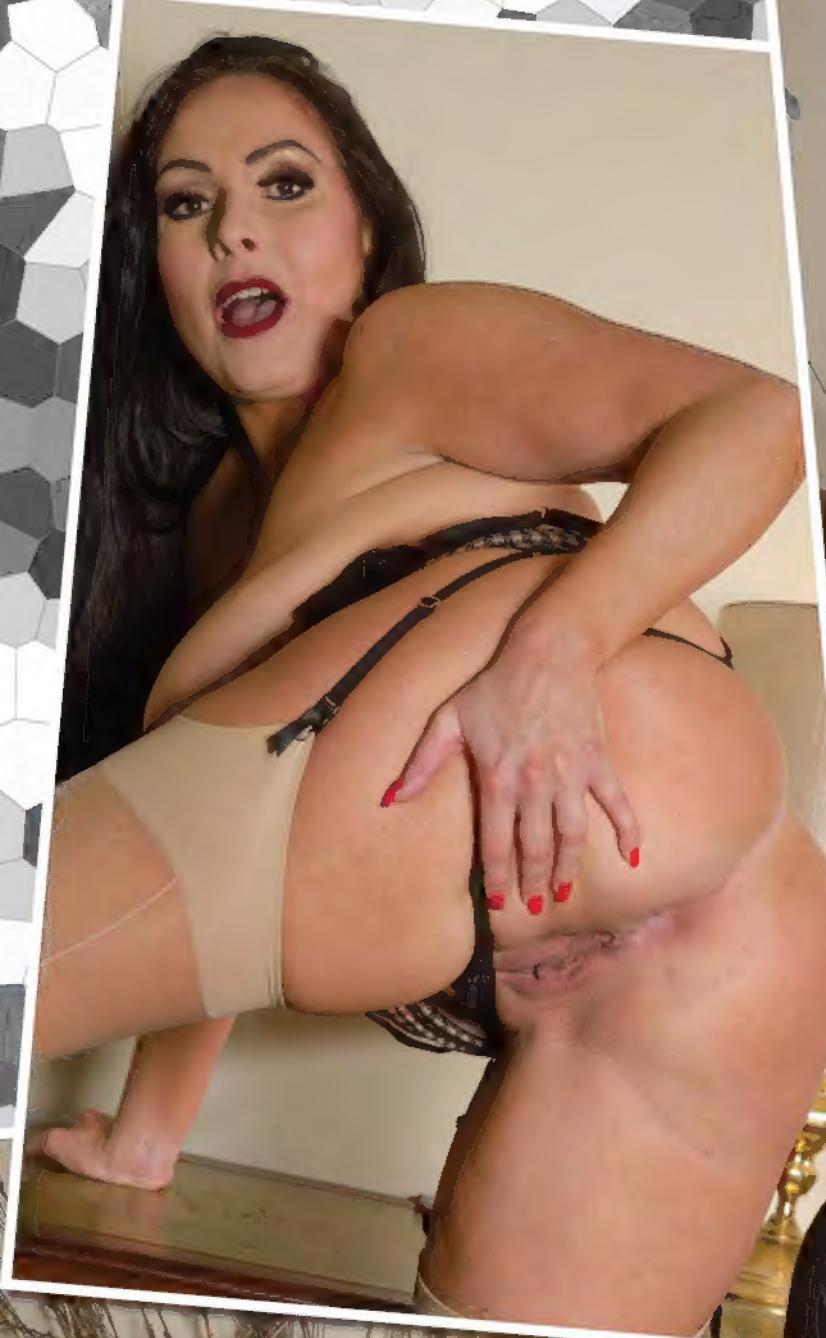

Working from home's all the rage these days – even the Ed's had to let us do it in recent months, and there's nothing better than working on Escort in the privacy of your own home! Sophia Delane seems to have got a pretty similar notion about what you can get up to when shirking from home, too, if this set is anything to go by...

"Well, you know me! I'm never happier than when I'm having a little fiddle with my clit, so working from home suits me just fine. And if you guys want to photograph me while I'm at it, then so much the better!"

### A new leash of life!

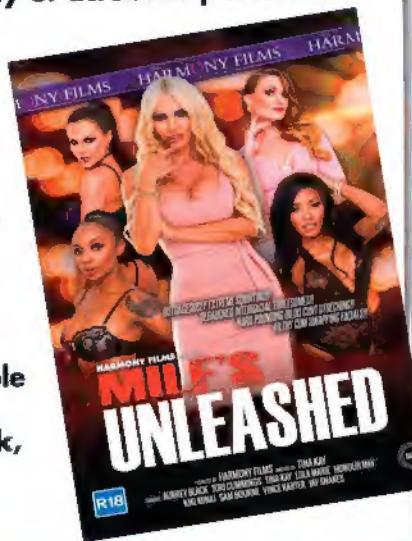

Blonde Aussie Tori has a whopping pair of boobs, a shaven snatch and a craving for cock, as Jay Snake finds out in no time. She's only started in this game recently, but she's a fast learner who, after a quick nosh, can't get Jay's trouser snake inside her quick enough for a good shafting in plenty of acrobatic positions before our hero paints her chin.

I wouldn't call Escort regular Honour May a MILF, but maybe her co-star in the lesbian scene that follows, Kiki Minaj, is. Either way, they have plenty of fun with each other, resulting in a couple of suspicious looking 'squirts'. With a couple more threesomes to

follow, as well as a great poking for Aubrey Black, you won't feel short-changed.

Available from your local sex shop.

### BBC-THIGH SPLAYER...

Ever wondered what it'd be like to have a big black cock (assuming you haven't got one) and a selection of eager tarts eager to play with it? Well the closest way to finding out would be to watch this flick, which is made up of POV scenes shot by the owner of a BBC getting jiggy with some very eager tarts indeed. Lana Roy's first, rollerskating about before sashaying into a bedroom, where our cameraman/stud awaits. She puts on a nice strip, then sets to work on the cock, sucking and slurping with plenty of eye contact before finally clambering on and slots it into her shaven snatch. There are two girls up next, who put on a cracking lesbo intro before joining the woodsman for some very eye-

pleasing shafting. Two more single girl scenes follow and they both hit the spot, although fans of anal action might feel a bit overlooked.

As a fan of boobs ever since I can remember (in fact since I was a baby, really) I was especially impressed with three of the girls you feature in your latest issue – I'm talking, of course, about Sofia Lee, Harley Sin and Frankie, with her fabulously fulsome funbags! Sofia's all-natural norts were a real treat, although she seemed more interested in showing us her arse, which she's clearly

very proud of as well. Those lovely dark nipples of hers look absolutely spectacular, and would look even better if I had one either side of my fat prick as I slid it between them!

I know I can't be the only one of your readers who's obsessed with boobs, so can I ask you to dedicate more photos in each photoset to them – especially when they're a pair of whoppers? Ray, Lancaster.

**Julia says:** We'll see what we can do about that, Ray – here's a extra pic of Sofia Lee especially for you!

## DEAR JULIA

When my new partner found my stash of Escorts when she was tidying my spare room I thought I was going to be in real hot water, but things turned out very differently. Instead of reading me the riot act she said she was glad she's got a fella who still had an eye for the ladies and, picking up a recent copy, started flicking through it and asking which girls I fancied the most in it. At the same time she sat on the spare bed and reached for the rapidly growing bulge in the front of my trousers. I settled on a girl (Lana) and Eve gave me the mag to look at while she started to suck on my swelling pole. The whole thing was so filthy I was soon pumping my load between her lips, and she gulped the lot down. Needless to say, we've had plenty more fun looking through my collection since that afternoon!

Ken, Andover.

**Julia says:** She sounds like a keeper, Ken!

Sofia... so good!

Lana... turn-on!

Filmed before Grannies were stuck at home fretting about who'd be doing their shopping for them, thankfully, this flick features a load of fruity 50+ fillies who haven't lost their penchant for prick, and prove it by teaming up with a selection of young studs to prove there's life in the old girls yet. Top scene sees three old ravers lure a young nightclub DJ to their lair, where he plunders each of their snatches in turn. Plenty more mature fun follows – I wonder if their hubbies know? Available from your local sex shop.

Once cock rings are in action they're a bit tricky to adjust – you either have to pull out, or else fiddle about in between your squelchy parts and try and find the button. Well, there's no need for any of that with this model, thanks to the fact that it comes with a cordless remote control, so that either partner can switch between the 7 different vibrating settings at will without interrupting your flow. Made from top notch silicone, the TUX is fully waterproof and rechargeable, so you can both get your rocks off where- and whenever you like!

# ROXY

We've all had plenty of time to get used to a quiet night in – seven days a week for the last four months or so means we should have pretty well perfected it.

Roxy certainly seems to have got the hang of things, in any case... "I used to be a bit of a party animal, but now I'd definitely rather stay home, as long as I've got someone to keep me company. A bit of Netflix and chilling on the sofa with a bottle or two of wine and I know my cunny will be getting a good work-out before long. Mmm!"

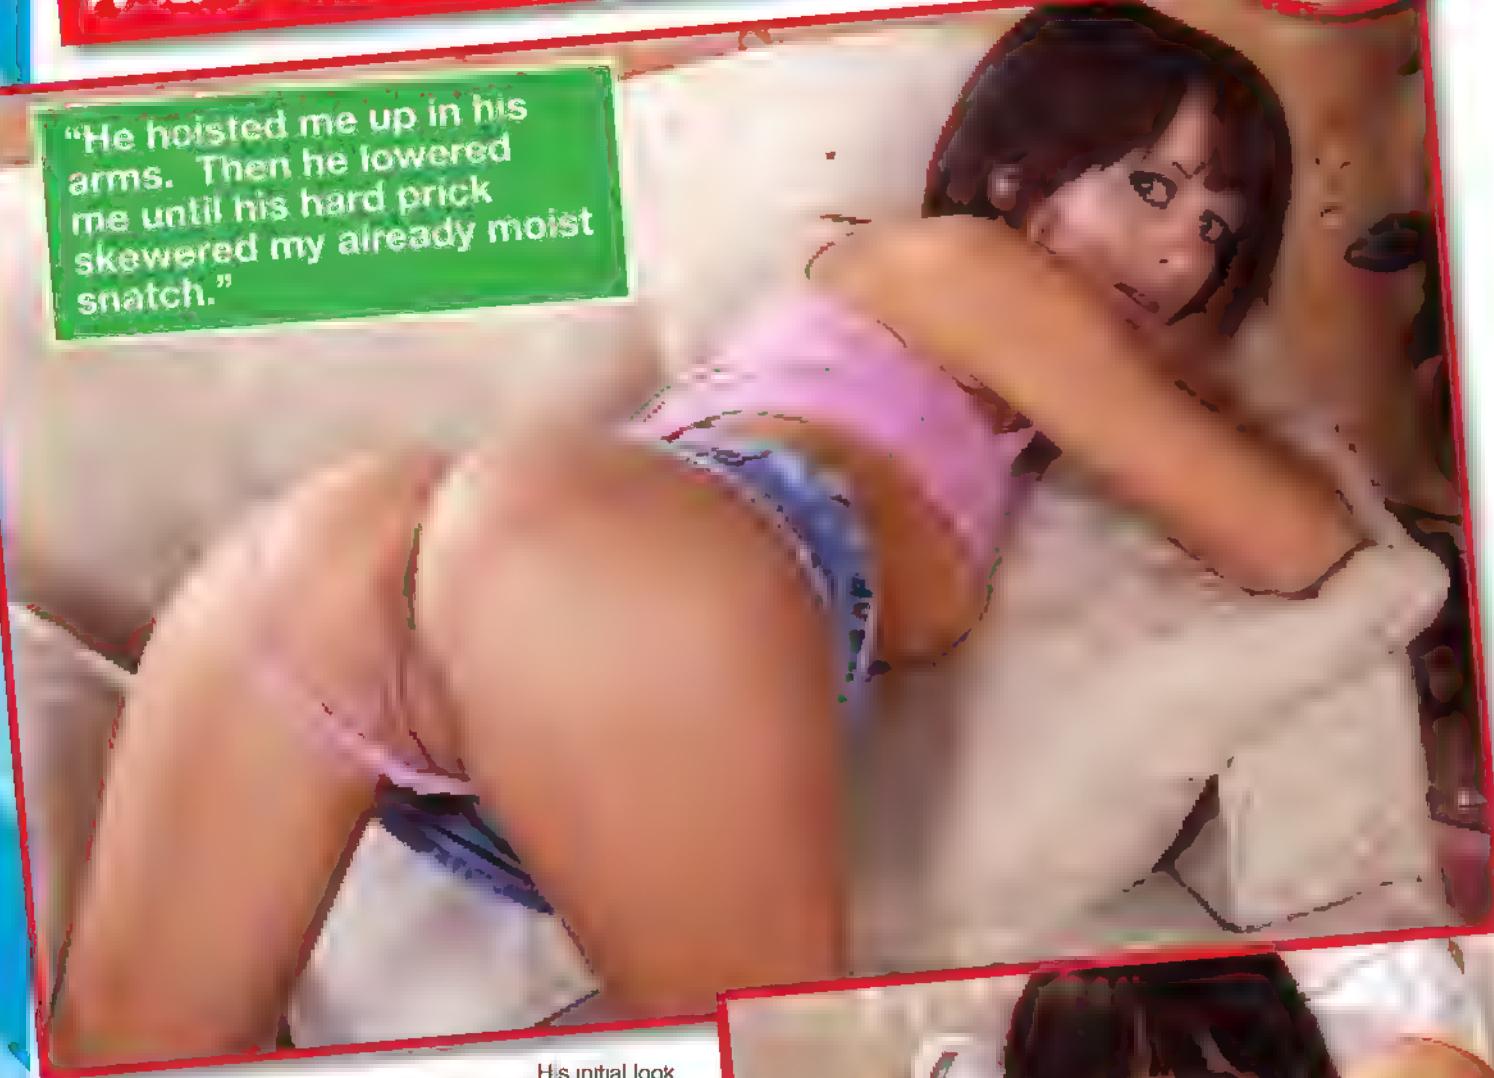

# REAL WIFE SEX

*At least Dawn's keeping it in the family!*

**"He hoisted me up in his arms. Then he lowered me until his hard prick skewered my already moist snatch."**

I know that fucking your brother in-law isn't the thing to do and could well land you the starring role on The Jeremy Kyle, but I just couldn't help myself. Especially when the sex was so great!

I've been married for almost 12 years, I've got two kids and because my husband works his arse off I get to be a housewife. Our marriage has always been a happy enough one, I couldn't really complain about the sex either, so God knows why I ended up in bed with his brother, but I did.

It all started when my husband Jeff asked if his brother Frank could stay at our house for a few months. He'd just split up with his long-term girlfriend and was waiting to move into a flat of his own. I didn't see it as a problem, especially since he'd be working a lot of the time. But that was just the problem. Frank worked funny hours, which meant he'd sometimes be there during the day, alone with me.

Over the course of a few weeks I went from liking Frank, as you should your husband's family to fancying the pants and socks off him. Quite literally, I must add.

One morning when Jeff had gone to work and the kids to school I decided to make my move. When I heard Frank running the bath upstairs, I raced up to burst in on him. I had it all planned so naturally I was wearing my sexiest lingerie underneath my short silk dressing gown.

His initial look of shock was soon replaced by a knowing grin when I dropped my dressing gown and stepped towards him. In a matter of seconds our hands were all over each other. Frank unclipped my bra with great speed but before he could get to peeling off my knickers I dropped to my knees and took his cock in my mouth.

All Frank could do was groan and grip my head gently as I fervently ran my tongue around his pulsating prick. I looked up in to his eyes as I slowly swallowed his, dick inch by inch.

"Ohhh, that's good," he groaned

as I started to suck on his length. I had one hand coiled around the base of his prick while I let the other roam his bollocks and around his arse.

"Oh yes, you dirty old slut," Frank groaned as I ran my tongue up and down his shaft. I sucked on his dick for a good five minutes before he told me to stand up. His hands whipped off my knickers and he hoisted me up in his arms. Then he lowered me until his hard prick skewered my already moist snatch.

I shivered as my wet pussy slid down over his cock. My petite frame was nothing for him so I bounced up and down on him, controlling the rhythm at which he thrust inside me. Occasionally I would buck backwards and forwards just to heighten the pleasure.

After a while Frank must have been feeling the strain so he lowered me to the edge of the bath, turned me round and entered me from behind. Every thrust sent a shiver down my spine as I tried to grip tightly on the edge of the bath.

Despite his dominance, Frank was very gentle. As he barged away at me his hands reached round and caressed my breasts. He carefully twiddled on my nipples as he del vered each firm stroke into my sodden gash.

Just as I thought he was about to explode inside me he turned me round again, laid me on my back on the floor, raised my legs high and re-entered me. His strokes were at a slower pace but due to our position they felt as if they were penetrating much deeper.

By

this time I was gasping. My first climax was approaching and Frank could detect this. He increased his pace in time with my pants of satisfaction. Then my mind went into freefall as I was gripped by an orgasm.

My body wriggled and jerked but Frank didn't let up. He just kept hammering away. This triggered another wave of ecstasy and when I lost count of how many times he had made me come I started to wonder if Frank was ever going to shoot his load.

Eventually I saw the look on his face, a strained smile accompanied by urgent

grunts and thrusts. Then I felt my pussy get flooded with his hot sticky sperm. Frank was well out of breath as he made his final pumps inside me.

I was overwhelmed by the fucking I had just received and I'm sure we spent the next hour slumped together on the floor. Obviously I felt guilty but with Frank showing no signs of remorse and the damage already done we continued to fuck each other as much as we possibly could for the next few months until Frank eventually got his own place.

After he moved out we made a pact to stop our little affair but I know that if I'm ever in need of the best shagging of my life I'll have to break that pact!

## Window of opportunity!

**O**ne morning I had forgotten the window cleaner was coming and had left the window wide open while I enjoyed a morning bath.

The first I knew about him coming was the whack of his ladder against the wall and his footsteps ascending it.

I did not have time to get out

and as the bubbles covered most of me, I guessed I would have to stay where I was.

He could hear the water splashing and cheekily stuck his head through the window to ask if I wanted my back scrubbing.

Not wanting to miss an opportunity to have a man feeling my body I said why not?

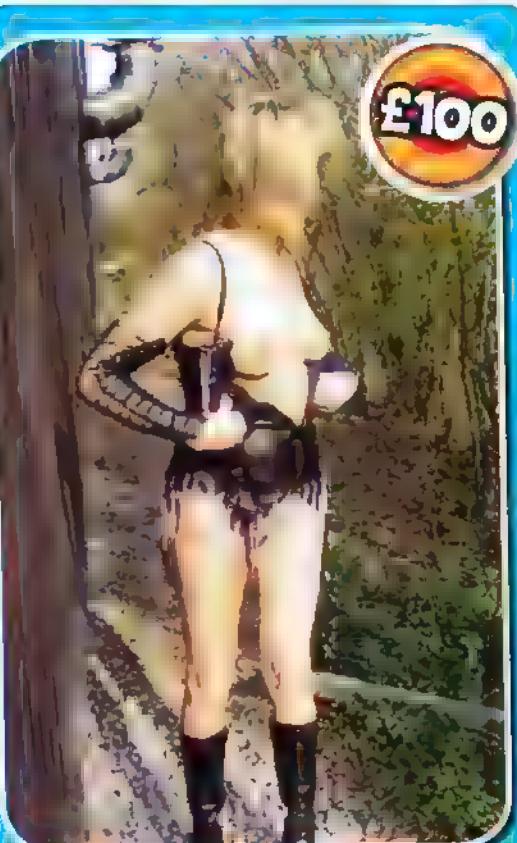

Steve clambered in through the window with a big grin on his face and a bigger bulge in his trousers.

I told him to strip off so his clothes didn't get wet and soon he was standing in front of me in just his boxers.

I gave him the sponge and he started to wash my back. Good sensations started to stir in my fanny and I just had to put my finger on my clit, hoping (well, maybe not) that he couldn't see what I was doing under the soap suds.

I was looking at the size of Steve's cock through his shorts and, licking my lips, asked him to take those off as

## CONTACT ME

well.

Wow! Steve let his shorts drop to reveal a ten inch cock as thick as my wrist.

I opened my mouth to speak but before I could say anything his man meat and filled my mouth up!

After I sucked his delicious shaft for a while he got into the bath behind me. His cock pressed into my back, his hands reached around me and he began to massage my soapy tits.

Steve's hands moved down and pushed three fingers into my cunt. He finger-fucked me till I came and even though we were in the bath I could feel my juices bubbling and flowing out of me.

Steve lifted me up and sat me on his cock but it was too awkward so Steve carried me, still impaled on his enormous tool, into the bedroom.

He fucked me hard then put his head between my legs and licked and sucked my clit. He said he would stay there all day if I would let him.

He made me cum again and swallowed my juices.

Once I had calmed down

Steve put his cock back in my soaking wet fanny.

As he fucked me, I was so wet and sloppy with excitement, juices were splashing out of my cunt. Some even managed to splash me in the eye!

We fucked in different positions for ten minutes when I looked up and saw his mate peeping through the bedroom window.

Apparently Steve was going to do the front windows and Alan the back, but he had heard us fucking about and had come up to have a look.

I told him the front door was open and to let himself in.

By the time he reached the bedroom he was naked and sporting a big stalk-on.

Alan joined us on the bed and I sucked his big cock while Steve fucked me, grabbing on to my fleshy bum cheeks.

This was my first experience of two cocks and they took advantage of the situation by asking me if I had ever had it up the arse.

I said I hadn't but had seen it lots of times on film, when a girl had both her holes filled and I would love to try it.

Steve and Alan didn't need telling twice – Alan lay down on the bed and I straddled him. Steve entered my virgin arse slowly and surely from behind.

The sensation of both cocks inside me was amazing and I shuddered with a multiple orgasm within seconds.

Feeling my contractions, the boys rapidly spunked into my fucked holes.

Dee, Lancs.

How many rounds do you reckon you could go with Alexis here? Much as I'd like to big up my staying power, I think I'd be out for the count after about three minutes!

"Ha, you'd better last longer than that, or I'll bop you on the nose!" grins Alexis, throwing a pretty unconvincing punch to illustrate the point.

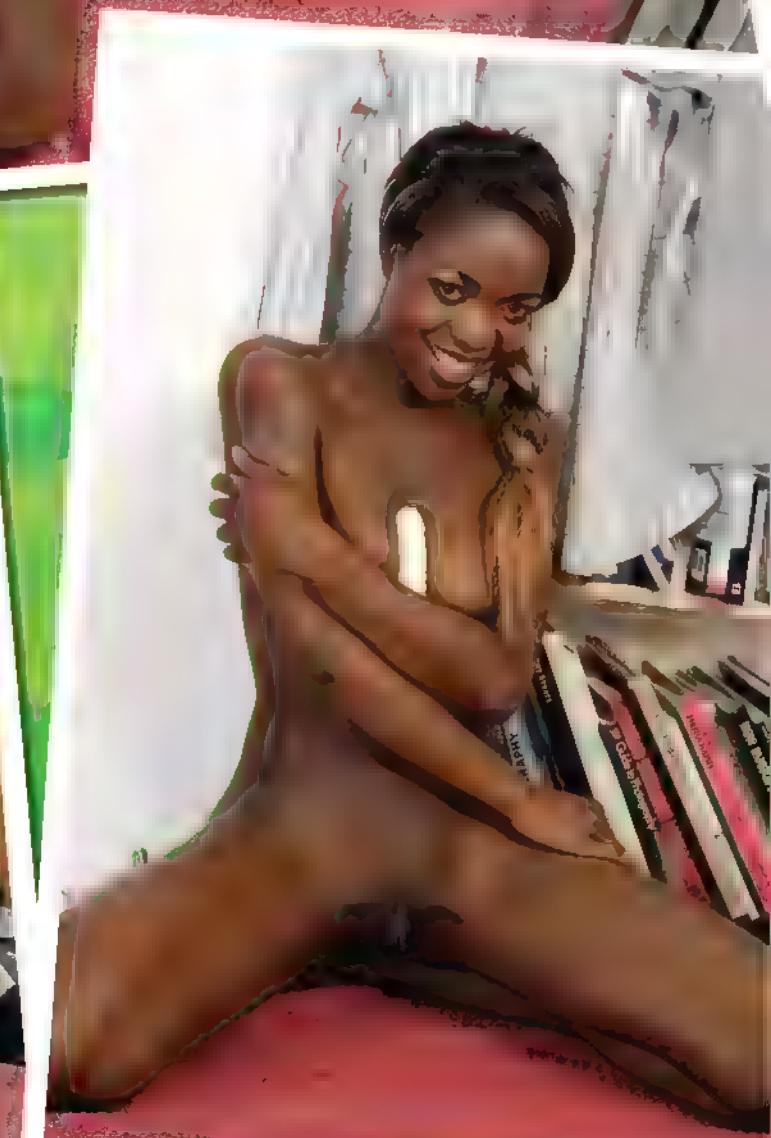

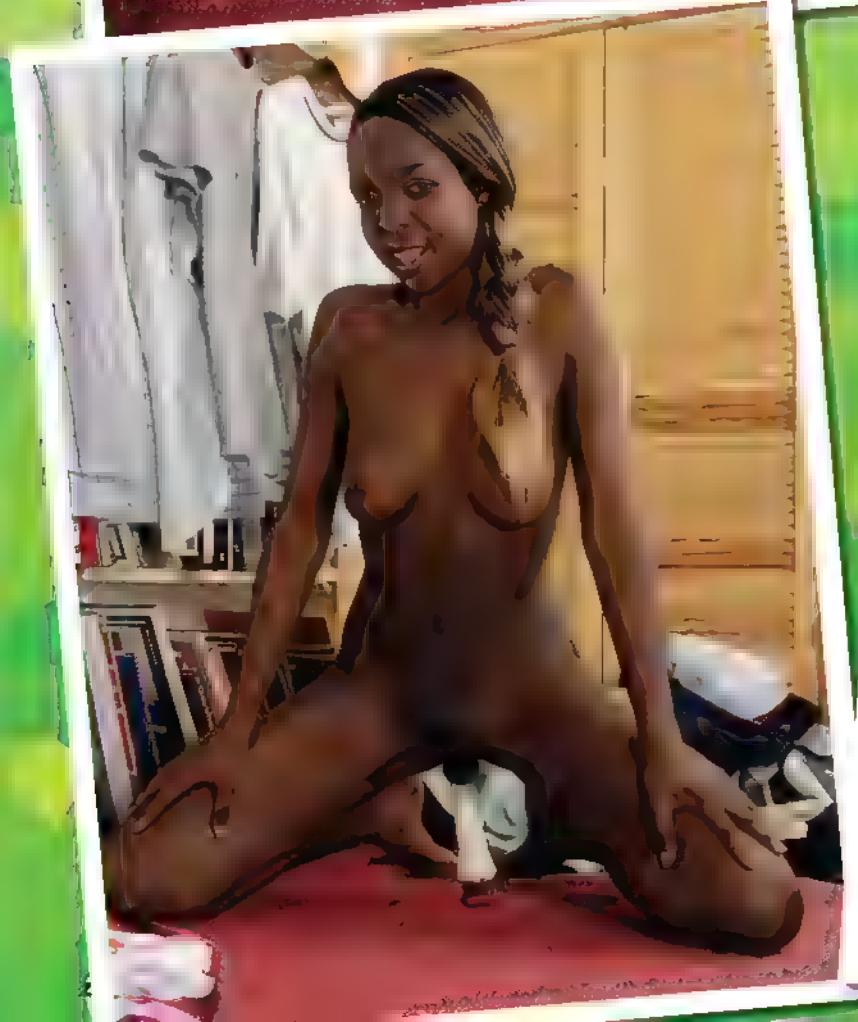

Well, maybe the first round of any bout wouldn't last especially long, but I'd be up for a second round in no time – not to mention a third!

"Mmm, so that's three helpings of spunk for me, is it? You starting to make this sound like the sort of match I might just fancy..."

# MARIE

A lot of us have had to rethink our summer holiday plans for this year, so we thought we'd get Marie to remind us just how much fun a trip to the seaside really could be. OK, so the penny arcades and the tubs of whelks are all well and good, but what really makes the seaside worth a visit is the sight of a mega-boobed beauty stripping off and getting all mucky, and Marie's got that covered in (little plastic) spades! If anything could make a staycation go with a bang, this babe's got it!

# Lottie

Lottie might look like a well-behaved sort of girl, but that leopard print cossie is a clue that there's a wild side to her as well...

"Well I am appearing in Escort, aren't I? Of course there's a naughty side to me! I've always loved turning guys on – and girls, of course! I can play the innocent whenever I have to, but there's nothing better than being in touch with your inner slut, especially if it means you get a lovely big cock or three all to yourself now and again!"

What with one thing and another – alright, basically just the one thing – sports fans have had a bit of a disappointing year so far. Footy cancelled for ages before being played in empty stadiums, and the same for Test Matches. And the only tennis to watch had been highlights of yesteryear, which isn't quite the same as a proper Wimbledon to watch. So here at Escort we thought we'd try and compensate a bit with a little bit of off-court action ourselves. Chloe's racquet might be related to the ones on display in the especially vintage highlights, but that beautifully chewable cunt of hers is an even more enticing prospect than a Federer/Nadal five-setter!

## Randy Sandy

**M**y wife Sandy and I have been wanking over the thought of having a threesome for ages.

On a recent holiday near Lisbon, Portugal that fantasy became reality.

After a good night on the lash we went to the site nightclub, which was heaving. Just about right for some threesome fun, in fact.

Sandy loses all inhibitions when she's had a few drinks and her already short skirt was riding even higher, flashing her tiny white G-string and lovely arse to anyone who might be interested.

We were groping and I was fingering her sopping wet cunt when she slipped her G-string off so anyone could see her shaven pussy as I poked her.

She told me to take her to the beach and fuck her. Two minutes later she was on her back on the beach with my head between her

legs, lapping up her juices.

She told me we were being watched so I looked up, and sure enough a couple of middle-aged blokes were watching us with their hands down their trousers.

There was no

point in us covering up, as they could clearly see everything anyway.

To my surprise Sandy walked over to them and, taking them in hand, brought them to where I was sitting. With a wink she instructed me to just sit and watch.

She unzipped their jeans and pulled out their erect cocks, telling them to forget I was there and that she wanted them both to fuck her hard and fast.

I'd never seen her so turned on as one lad positioned himself behind her and thrust his big cock straight up her soaking pussy.

Sandy moaned with pleasure as she sucked on one cock while getting fucked hard by the other. Her tight cunt proved too much for the bloke fucking her and he shot his load up her. There

must have been about a gallon of cum in that one shot.

Spunk was running down her thighs as she guided the other lad to her cunt. He proceeded to fuck her doggy-style and she screamed in orgasm as he also filled her cunt with spunk.

After dressing, Sandy kissed the two lads and

**NEXT ISSUE ON  
SALE 16<sup>TH</sup> SEPT**

they left. As soon as they'd gone my cock was up her, fucking her as she told me what it was like taking two hot cocks.

I didn't last long and we came together in the sand. We never found out their names, but if you're reading then thanks from us both.

Next on our list is a threesome with a bisexual female. Any offers?

Alan, Brighton
